Dear Petitioner,

You are to be commended for taking this first step in clarifying your marital status in the Catholic Church. We hope that this process will be a time of healing and spiritual growth. The Church believes that marriage is indissoluble, and that it affects the family, society and the Church. The law of the Church states (Canon 1055): "The matrimonial covenant, by which a man and a woman establish between themselves a partnership of the whole of life, is by its nature ordered toward the good of the spouses and the procreation and education of offspring." This teaching forms the basis of the Tribunal's investigation.

Regrettably, divorce is a reality of our times. Divorce is always difficult, both for the parties and for any children involved, and it can affect a person's standing regarding the sacramental life of the Church. Catholics and non-Catholics alike have the right to ask the officials of the Church to investigate the possibility of the nullity of their marriage.

The Tribunal is composed of specially trained clergy and lay persons appointed by the Bishop of the Diocese of Bridgeport who will make a determination regarding your marital status. A declaration of nullity may be granted only if it can be shown that at the time of the wedding, at least one of the parties lacked the necessary intention or lacked the requisite capacity to establish the matrimonial bond as understood by the Catholic Church.

If nullity is declared, both parties would be free to attempt marriage again in the Catholic Church, if they choose to do so (barring any prohibitions or cautions, such as the need for counseling). A declaration of nullity does not deny that a real relationship existed, nor does it imply that the relationship was entered into with ill will or moral fault. This process does not seek to place blame or establish a guilty party: it is a search for the truth. It does not affect the legitimacy of any children of the marriage and has no consequences whatsoever in civil or secular law.

Please read the following instructions and forms carefully, as they will serve as a guide to help you better understand the annulment process and to complete the application. We look forward to assisting you.

Sincerely yours in Christ,

A handwritten signature in black ink, appearing to read "Rev. Arthur Mollenhauer". The signature is fluid and cursive, with a long horizontal stroke at the end.

Very Rev. Arthur Mollenhauer, J.C.L.
Judicial Vicar

GUIDELINES FOR STARTING A MARRIAGE NULLITY CASE (ANNULMENT PROCESS)

WHERE TO BEGIN

Contact your local Catholic parish or the Catholic parish you regularly attend. A parish priest or deacon will provide assistance to you during the initial phase of the examination of the marriage in question. Should you be eligible to choose the *processus brevior*, the “shorter process” (see below), and if you meet all of its requirements, your local clergy or an Advocate will assist you in gathering evidence, which will need to be submitted with your application. Complete this form in its entirety, trying to provide an accurate picture of what occurred prior to and during the marriage. Once you have answered all the questions to the best of your ability, it is advisable to set them aside for a few days, so that if further additions come to mind, these may be added. The party presenting the application is called the Petitioner. The other party is called the Respondent.

You may also submit your application and other materials independently, without the assistance of parish personnel, except when the the shorter process is to be used (which always requires an Advocate).

The clergy or the Advocate may advise you in the choice of which process is appropriate in your case. The “shorter process” requires the documented consent of the Respondent. However, please keep in the mind that whether the ordinary process or the “shorter process” is used, no guarantees can be given about the time it will take to complete the case or its ultimate outcome.

Church law and justice requires that the Respondent be contacted and given the opportunity to participate in the process. The parties are never asked to appear in the Tribunal together, unless the “shorter process” is employed and the parties choose to appear together before the Tribunal and the bishop.

THE PRELIMINARY FORMS

The Formal Petition (“Libellus”): Through the Formal Petition, also known as a “*Libellus*,” you formally request the Tribunal of the Diocese of Bridgeport to examine the status of your marriage in light of the teachings and the laws of the Catholic Church.

Application for a Declaration of Nullity: This application is fundamentally an interview on paper. Your statement should present a comprehensive account of your background, your courtship, the marriage and the separation. It is the Petitioner’s responsibility to make every reasonable attempt to locate the present name and address of the Respondent and to submit both to the Tribunal.

Internet searches are helpful and background checks are available on-line for a fee (at your expense). If this information cannot be provided, documentation of the efforts that were made to locate the Respondent must be included in this application. The Tribunal will then determine if the case can proceed without the Respondent's current contact information. As a pastoral practice in the United States, the Tribunal will not accept a petition for nullity before a civil divorce decree has been issued, since it is regarded as proof that there is no hope of reconciliation between the parties.

REQUIRED DOCUMENTS:

The following documents must accompany your petition application. The unexplained absence of these documents will prevent the opening of the case.

1. A recent copy (issued within the last 6 months) of **your baptismal certificate** (if baptized);
2. **Baptismal certificate of ex-spouse** (if baptized)
2. **Marriage certificates** (Church **and/or** civil license);
3. Final **civil decree of divorce**;
4. Other pertinent documents or reports that may serve as evidence (e.g. medical or police reports, etc.).
5. Completed **Nullity Application Form** (this form)
6. **Marriage Narrative** (typed, 2-3 pages)

Be certain you (and your parish clergy or Advocate) have reviewed your application for content, and have signed it in all the applicable places. The application and supporting documents should then be mailed to the Tribunal. Keep a photocopy of the application and all documents you submit for your records.

Witness Testimony: Marriage takes place in the context of a community, and so other persons will be asked to provide the Tribunal with information from their vantage point (witness testimony). Witnesses will be contacted by us in writing and asked to complete a short questionnaire, and if necessary, we will follow up by a phone interview. In order to have a clear picture of both parties and of the marriage, please list persons who knew you and/or the Respondent **before** the marriage or early in the marriage, and who may have knowledge of family backgrounds, childhood or marital situations. Please make an effort to include at least 2 to 4 witnesses from your side and from the Respondent's side. Complete contact information of proposed witnesses is required. Names of the witnesses (but not other personal information) may be given to the Respondent. We ask that you **contact all persons prior to listing them as witnesses** to ensure that they are willing to cooperate. One of the biggest delays in nullity cases is caused by the failure of witnesses to respond. Ordinarily parents and siblings are good witnesses, but not all your witnesses should be your family members. In general, children of the union are not used as witnesses.

Counseling Reports/Experts: When either you or the Respondent have seen a counselor, psychologist or psychiatrist, prior to or during the marriage, the Tribunal may ask you to obtain a confidential summary from these individuals or institutions. You will be advised if this step is necessary. In addition, some expert opinions might be required by the Tribunal (e.g., from a medical doctor). Fees associated with these experts' opinions are the direct responsibility of the parties.

Tribunal fees: There is no cost to the parties. Formerly, petitioners who could afford it were asked to cover a portion of the costs as a matter of justice, but Pope Francis has asked for all judicial processes to be made free to the parties so that costs – and any misconceptions about costs – do not prevent any of the faithful from exercising their rights. Instead, the costs are borne by the diocese, which ultimately means by the other people in the pews. Of course, there are significant costs associated with a labor-intensive legal process like the marriage nullity process; Petitioners are therefore asked to remember that fact, to make responsible use of the Tribunal's resources, and to remain diligent in their support of the Church.

Review by the Judicial Vicar or Judge: Once your application is received and accepted by the Tribunal, the Judicial Vicar reviews the materials you have submitted, assigns the judge(s) to the case, determines possible grounds to be investigated, and what other information may be required.

The Citation: The Petitioner and the Respondent will be cited by letter of the Judicial Vicar. The Respondent is invited to participate in this process to the extent he/she wishes. The citation letters indicate your **Case Name and Case Number**. Please have this information available whenever you contact the Tribunal so that our staff can quickly locate your file and refer you to the proper case coordinator at the Tribunal.

The Grounds: The proposed canonical grounds are determined by the Tribunal using Catholic Church law (canon law). They do not pertain to civil (secular) law. The grounds must be some defect or incapacity regarding the matrimonial consent of one or both of the parties, or some canonical requirement or impediment which had not been properly dispensed for a Catholic spouse. Please note that the recent changes promulgated by Pope Francis do not introduce new grounds for nullity cases. Canons 1095 and ff. of the Code of Canon Law describe the available grounds.

The Decision Process: After the testimonies and other information is gathered, the case is reviewed by the Judge to determine if there is sufficient evidence to move the case forward. The parties will be notified by letter when the case is nearing conclusion and they will have a final opportunity to submit any additional information and to read the Acts of the Case [that is, all testimony pertinent to the grounds being considered].

This must be done within fifteen (15) business days of the date of that letter. The case is then reviewed by the Defender of the Bond who gives written comments supporting the matrimonial bond. Once these comments are received, the the entire case is reviewed by the Judge or Judges, and a decision is rendered. Both parties are then notified of the decision.

Appeals: The Petitioner, Respondent and Defender of the Bond each have the right to appeal the decision of the Court of First Instance to the Court of Second Instance. The parties may also appeal directly to the Roman Rota.

Restrictions/Vetitum/Monitum: If the Tribunal is concerned that the difficulties which contributed to the breakdown of a couple's interpersonal relationship remain unresolved, the Judge(s) may require specific action before another marriage in the Church can take place. If the Tribunal considers that these difficulties could impact a future relationship, a restriction [*vetitum*] or a warning [*monitum*] will be added to the declaration of nullity. This may apply to the Petitioner, the Respondent or both parties. **This is not intended as a punishment**, but rather a help to the party so that he/she does not end up in a similar situation in a new marriage. Those with a restriction may be required to undertake further counseling. A restriction must be lifted by the local Bishop or Judicial Vicar, before a priest/deacon can proceed with wedding plans.

Time Frame: Each nullity case has its own unique circumstances, and therefore a definite time frame cannot be guaranteed. The time involved is governed by requirements of canon law and by the cooperation of the parties and their witnesses. The Tribunal strives to complete each case in a timely manner and in accordance with canon law. It is extremely important that you notify the Tribunal of any changes of address for yourself and/or the Respondent, and also changes of addresses for the witnesses. **It is of utmost importance that you DO NOT schedule a wedding until the annulment process is finished and you received an affirmative decision (the nullity of marriage has been proven).** The Tribunal cannot guarantee the time needed nor the outcome of the formal cases.

Status Inquiries: Because the time frame of the process cannot be guaranteed, status updates generally are not given. The Tribunal staff is available to answer your questions regarding your case or the process in general. For reasons of confidentiality the specifics of your case can be discussed only with you or the Respondent. You can contact the Tribunal by mail or e-mail (tribunal@diobpt.org) at any time, or by telephone (203-416-1424) Monday through Friday, 8:30 a.m. – 4:30 p.m. In July and August: *Fridays only*: 8:30 a.m. - 1:00 p.m.

PART IV TRIBUNAL PRACTICES AND POLICIES AGREEMENT OF UNDERSTANDING

The primary purpose of the Tribunal is to gather and evaluate evidence in order to discover the truth regarding a marriage. Out of respect for the human dignity of persons and the sacred nature of marriage, the Tribunal is required to presume each marriage is valid, and that you and the Respondent both meant what you said and accomplished what you intended when you first exchanged vows, until it is proven otherwise. Declarations of nullity are not favors given to innocent or deserving parties. Judges must have moral certitude, based on the available evidence, that your union was missing one of the essential elements for marriage. In the absence of such certitude, the Judge(s) must rule in the negative – that is, nullity has not been proven. In presenting a petition for a declaration of nullity of your marriage, you are asking that your marital status be reviewed in the Catholic Church. The Tribunal is an ecclesiastical court of law, and its proceedings are exclusively religious in nature. These proceedings are governed solely by the laws of the Catholic Church. The following statements delineate Tribunal practices and policies, and by your initials you indicate your understanding and your agreement to abide by them.

PLEASE INITIAL ALL TO CONFIRM YOUR UNDERSTANDING:**CONCERNING CONFIDENTIALITY**

____ I understand that due to the sensitive nature of information gathered in this process, all the information gathered in the course of the investigation is considered confidential and the exclusive property of the person submitting the pertinent information and the Tribunal of the Diocese of Bridgeport. The Tribunal is not obliged in any way to release or return to me any documents or testimony that I submit for my process.

____ I understand that this information is never made available, except as required by Church Law, for inspection by the Petitioner, the Respondent, and the Officers of this Court and the properly designated ecclesiastical Court of Appeals.

____ I understand that this information is never made available to the witnesses or anyone acting on their behalf.

____ I understand that this information is never made available in any civil legal proceedings.

____ I understand that in accord with applicable professional standards, reports from psychological counselors are always withheld from the Petitioner and the Respondent. For serious reasons (such as the avoidance of physical danger or public scandal), witnesses may ask that their testimony be withheld from the Petitioner and/or the Respondent. The decision whether to withhold any testimony, however, belongs solely to the ecclesiastical Judge acting in accord with the requirements of canon law.

CONCERNING THE RESPONDENT

____ I realize that Church Law requires that the Respondent be contacted and offered the opportunity to give his/her personal testimony.

____ I agree to make every effort to locate the Respondent so that he/she can be contacted by the Tribunal to participate in the process.

____ I understand that I am not required to have direct contact with the Respondent, unless I feel it is in my own best interests to contact him/her and encourage his/her response.

_____ I also understand that the Tribunal strongly encourages the Petitioner to inform the Respondent in advance of filing their petition (as experience shows they tend to be more cooperative).

CONCERNING THE WITNESSES

_____ I understand that witnesses are necessary to process my petition for a declaration of marriage nullity.

_____ I agree to make every effort to encourage their cooperation, but understand that I am in no way to assist or influence them in preparing their testimony.

CONCERNING THE DEVELOPMENT OF THE TRIAL AND PLANS FOR A FUTURE MARRIAGE

_____ I understand that the process of trial may involve an in-person deposition with a Tribunal Judge or Auditor and the taking of an oath in order to give my personal testimony.

_____ I understand that no assurance can be given of an affirmative decision (that is, one granting a declaration in favor of nullity).

_____ I understand that no assurance can be given as to a definite time for the completion of the Tribunal process.

_____ I understand that the Tribunal may also require that I attend one or more sessions with a court approved expert in order to provide the court with an expert's evaluation regarding certain grounds of nullity. I am responsible for all expenses in connection with such an evaluation.

_____ I understand that ABSOLUTELY no arrangements can be made and no date scheduled for a future Catholic marriage or convalidation (not even a tentative date) until after I have received a final notification that a declaration of nullity has been granted and that no restrictions are attached to it.

_____ I understand that if the circumstances causing the invalidity of the marriage so indicate, the Tribunal may require that I seek professional counseling before any subsequent marriage in the Catholic Church is permitted. Expenses in connection with such therapy or counseling are my responsibility.

MANDATE FOR THE PROCURATOR/ADVOCATE

_____ By means of this document, I agree to whomever the Tribunal selects to be my Procurator/Advocate. If the "shorter process" is employed, I may select an Advocate from an approved list of Advocates at: www.dob-tribunal.com. To that person, I concede the faculty of doing and performing in my name all that may be necessary and useful to my interests in this case.

_____ This Mandate includes the full right to delegate a substitute, authorization to review the published acts on my behalf, as well as authority to perform other duties required throughout the process.

WAIVER OF THE PETITIONER

Thus, I understand that any determinations made by civil authorities with regard to custody, support or visitation with children, or with regard to any property or obligations stemming from the marriage, remain in full force.

____ By means of this document, I promise that I will institute no litigation before any civil jurisdiction for any reason related to the substance or process of the Annulment Trial, since this matter pertains solely to the governance of the Roman Catholic Church and is within the exclusive jurisdiction of the Tribunal.

If you wish to apply for the shorter process, the following are required (must indicate 'YES' to all statements/questions below to be eligible):

- 1. Both parties must positively agree to the annulment process (c. 1683 MI). Therefore, a written statement is required from the Respondent (next page). Presumed, conditional or passive agreement from the Respondent **is not** sufficient.
Is the Respondent positively consenting to the process? **Yes:** **No:**
- 2. Your case has been reviewed by the parish priest, deacon or an Advocate and is presumed to have sufficient ground(s) (final approval is made by the Judicial Vicar). **Yes:** **No:**

(if evidence is partial, select 'NO').
- 4. I understand that this petition and provided evidence will be reviewed by the Judicial Vicar who makes the final decision whether the case qualifies for the shorter process or ordinary process (c. 1676 MI):
Yes: **No:**
- 5. I understand that should the Respondent withdraw his/her initial consent to the annulment process, the shorter process cannot proceed: **Yes:** **No:**
- 6. Should the shorter process be not an option for your application, do you wish to proceed with the ordinary process and with all it entails? **Yes:** **No:**
